**MEMORANDUM OPINION AND ORDER ON IN CAMERA INSPECTION**

Following an in camera inspection of documents submitted by Clinton Township police regarding deceased Officer Vauris, it is determined that nothing in these documents is relevant to a claim or defense in this action nor the subject matter of this action, nor are there any documents that might reasonably lead to admissible evidence in this case.

In making this determination the review sought any evidence of any behavior or trait that might suggest a dangerous or assaultive propensity of Officer Vauris or any indications that he might overreact to a stressful situation. While there are records of a temporary, March 6, 1996, *ex parte* Personal Protective Order in the case of *Theresa M. Fish v. Richard Lee Vauris* (Mich. 3rd Judicial Cir., Case # 96-612243 PH), that order was terminated after a hearing on its merits. There were also April 16 and May 27, 2000, arrests for O.U.I.L. in Arenac County, Michigan, followed by periods of disciplinary suspension and alcohol rehabilitation treatment for Officer Vauris, but nothing related to these events would be admissible in this case.

Accordingly, Plaintiff's motion to compel production of these documents IS DENIED.

Any party may file objections to this order within ten (10) days of service of this order pursuant to FED. R. CIV. P. 72(a) and Local Rule 72.1(d).

SO ORDERED.
